

Seijo North No. 2 Rental Cycle Port

Location : Setagaya-ku, Tokyo

Completion : November 2001

Client : Setagaya-ku

Eco Cycle used as Rental Cycle Port

An Eco Cycle unit is used as a rental cycle port, in a municipal bicycle parking facility at Seijogakuen-mae station on the Odakyu line. This is the first Eco Cycle system introduced by local government, highly valued for its compact structure and smart appearance.
