

Underground Bicycle Parking, Konan Star Park at Minato-ku

Location : Minato-ku, Tokyo

Completion : March 2010

Client : Minato-ku

Utilise underground of an urban park very close to Shinagawa Station to accommodate 1020 bicycles

Installed 5 ECO Cycle units under the urban park, situated in proximity to Shinagawa Station East Exit, which is currently being redeveloped. With its smart looking exterior that is above ground, ECO Cycle fits perfectly in the surrounding landscape and does not disturb the original functioning of parks, serving as urban facility that retains a balance between recreation and convenience.
