

Sakurada Park Bicycle Parking

Location : Minato-ku, Tokyo

Completion : February 2016

Client : Minato-ku

2 ECO Cycle units were installed in Shimbashi, one of the busiest districts in Tokyo.

2 ECO Cycle units were installed at Sakurada Park in the Shimbashi district to reduce the number of illegally parked bicycles around Shimbashi Station.

With ECO Cycles, the bicycle parking was efficiently and rapidly constructed in a area surrounded by numerous office buildings and restaurants. The park has become a people friendly area while at the same time facilitating out of site bicycle parking.
