

# GIKEN LTD. Kochi Head Office Car Parking

Location : Kochi-shi, Kochi

Completion : December 1994

Client : GIKEN LTD.

**First underground mechanical parking system built as an Implant™ Structure not requiring temporary works**

Eco Park system installed at GIKEN's head office in Kochi. Used as staff car park. The first practical application of our concept: "Culture Aboveground, Function Underground". Various tests and verifications were implemented for the system.
